

# ONE TAB PRO® Stone & Wood Cleaner

OneTab Pro Stone & Wood is a slightly alkaline cleaning tablet with oxidizing effect for i. façade washing. An environmentally-friendly super concentrate system that prevents water from being transported.

## Product highlights:

- Minimizes plastic packaging and return packaging
- Minimizes road transport
- Minimizes storage space and handling costs
- Effective cleaning effect but gentle on the underlying material
- Doesn't affect aluminium, glass or plastic.
- Removes inconvenient scents caused by organic substances such as urine, spew, food debris, garbage etc.

## Area of use:

For exterior washing of facades, roof tiles, roofing cardboard, bricks, plaster, concrete, wood, sheet metal, tiles etc. Can also be used in carcass sanitization and garbage disposal with excellent results.

## Bruksanvisning

OneTab Pro Stone & Wood is first dosed up to a desired use solution following the recommended dosage below.

Then apply plenty of product with a low pressure sprayer on the surface to be cleaned. Allow the product to work for 10 - 30 minutes and then rinse with hot water pressure.

The product can also be applied and have a long-lasting effect from 1 day up to 2 weeks without direct flushing with water - but where, instead, weather, rain and wind carry away the dissolved dirt from the surface.

## Technical information

pH:	8,5
Dosage:	5 - 10 tablets to 5 liters of water - depending on the degree of soiling of the object.
Use solution:	1 week in mixed use solution.

## Packaging:

4 kg cardboard (100 pc 40 gr tablets)
