

# ONE REMOVE® Tar & Oil Remover

OneRemove Tar & Oil Remover is an environmentally sound VOC-FREE tar, tectyl and oil solvents for both hard and absorbent surfaces that have been contaminated with tar, asphalt, tectyl or oil.

## Product highlights:

- Environmentally correct and completely free of VOC
- Fragrant fragrance
- Fast-acting
- Gentle on underlying materials
- Economically in use

## Application area:

Bio degreasing for vehicle washing and for exterior cleaning of tar, tectyl and oil on trains, subway, tram, bus and facades.

## Application:

Apply the product with a low pressure sprayer, soft wash brush or brush on the surface.

Let the product work for 3 - 10 minutes and then work the surface with the brush so that the product can penetrate and dissolve the contamination in the best way.

When the product is dissolved the surface is rinsed with hot water pressure 70-90 degrees and 100-150 bar. Rinse off plenty of water.
